ARE YOU LOOKING FOR HELP ON YOUR RETURN TO YOUR OWN COUNTRY?

Foundation WereldWijd can help you!
We offer you help for a new future.

DO YOU WANT TO START A SMALL BUSINESS IN YOUR COUNTRY?

Or perhaps you will join a family business or work with a friend? Could you use some suitable materials or equipment? You do not want to go back empty-handed? Then join WorldTools.

HOW DO WE HELP?

After you have arrived home we send materials in a big box to your homeland. The materials are for you to make a new start and help you to make your own money. We take special care that the box is delivered to you, so you can start your own business.

WHICH MATERIALS?

That depends on you. Your plans and ideas are important and we will speak with you about them. If you are still not sure, we can advise you and tell you how we may be able to help you. We have secondhand machines, tools and equipment and we can buy new items if necessary to help you with your new start.

Our successes!

We have helped more than 300 people in 35 different countries. From an internet cafe to the hiring out of bridal clothes, hairdressing, carpentry, a tattoo shop, chicken farming, welding, and a copying business for a legal office. Every person in the program had his or her own plan. If there is something you still want to learn, you can take a course with us. e.g.a. welding, carpentry, sewing or computers.
